

# *The Ultimate Bathing Experience<sup>®</sup>* **Air Massage**

## **True Drain<sup>™</sup>** *(Patent Pending)*

True Drain<sup>™</sup> is the most sanitary channel technology on the market. Last year, we made the worlds most active and best drying air channel better. Our channel is the key technology in our health masseur system. It is what creates our extraordinary all over body tissue massage and provides superior sanitation. If you want a superior massage and the best sanitation in a channel air system, then you want Acryline<sup>®</sup>.
